

## **Chichester District Councillors come to Midhurst!!!**

**Diary date: 10 January, The Memorial Hall, Midhurst at 7.00 pm.**

CDC's proposal to sell the derelict part of the Grange site to a retirement home developer created a huge backlash in Midhurst. The matter is now being considered by SDNPA, but following an exchange of angry words we struck up a constructive dialogue with Pam Dignum, who has been a CDC councillor since 2007. We agreed that

### **COMMUNICATIONS NEED IMPROVING**

between CDC and the people of Midhurst, and so we invited Pam and her husband Tony, Leader of the Council, to come and meet us and provide

### **A CHANCE FOR YOUR VOICE TO BE HEARD**

They will give a short address, and then answer questions. We hope this will be a first step in getting to know each other so that

### **FUTURE DECISIONS ABOUT NORTH OF THE DOWNS WILL BE BETTER INFORMED!**

On the evening we will ask for pre-approved questions from the audience to be read out with the help of a roving microphone. To ensure that best use is made of the evening, we ask that questions are submitted in advance. The evening should cover a wide range of topics, and we reserve the right to select questions that we consider are representative. Priority will be given to members of The Midhurst Society, but we expect Planning, local housing needs, and traffic issues to be top of the leaderboard.

Please submit your questions, giving your personal details, to our Treasurer Harvey Tordoff:

harve@bigger-picture.org.uk

or

via our **Contact Us page at [www. midhurstsociety.org.uk](http://www.midhurstsociety.org.uk)**

There will be no charge for admission.

**Helping future decisions about North of the Downs to be better informed**
